Acknowledgement of Hospital Policies

General Policies:

All pets must be on leash or in a carrier for their safety.

For safety and liability purposes, our trained staff assist the doctors during your pet(s) exams and treatments.

When possible **unvaccinated puppies should be carried and kept away from other pets during visits.**

Payment Policies:

I certify that I am the owner or duly authorized agent/representative of the pet(s) listed and that I am 18 years of age or older. To the best of my knowledge the information I have provided is correct. I understand that all fees are due and payable at the time services are rendered, and I agree to pay for those services. Payment may be made using Visa, MasterCard, Discover, American Express, Care Credit and Scratchpay as well as cash. **We do not except checks.** For hospitalized patients it is required to pay the low end of the medical plan at intake. I understand and agree that I will pay the maximum collection costs, court costs, and reasonable attorney fees associated with the collection of any unpaid balance.

Initial:

Cancellation and reschedule Policies:

We require at least 24-hours notice for cancelling or rescheduling any appointment. If you fail to give 24-hour notice you will be charged for the appointment. We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. If you miss an appointment twice, future appointments will require you to prepay the examination fee. If you miss that appointment, or cancel less than 24 hours prior to the appointment, the fee will be forfeited.

Vaccination Policies:

To lessen the spread of infectious disease and parasites, all in-patients, out-patients, boarders and grooming **pets must be current on Rabies vaccination, core vaccinations, and be free of all internal and external parasites.** If your pet is unprotected, we will advise you of what treatment is needed and provide these services as soon as your pet's health status allows. All boarding and grooming pets must be current before or at admission to the hospital. **I understand this to be the strict policy of the hospital and authorize the doctors to provide my pet(s) with vaccinations and parasite control as needed.**
